## New procedure codes for ambulatory surgery centers

Effective for dates of service on and after January 1, 2004

| Procedure code | Description  | Allowable modifier | Provider type* | Copay  | Max fee         | Restrictions         |
|----------------|--|--------------------|----------------|--------|-----------------|----------------------|
| <b>20982</b>   | Ablation, bone tumor(s) (eg, osteoid osteoma, metastasis) radiofrequency, percutaneous, including computed tomographic guidance  |                    | 70             | \$3.00 | manually priced |                      |
| <b>21685</b>   | Hyoid myotomy and suspension   |                    | 70             | \$3.00 | manually priced |                      |
| <b>22532</b>   | Arthrodesis, lateral extracavitary technique, including minimal disectomy to prepare interspace (other than for decompression); thoracic   |                    | 70             | \$3.00 | manually priced |                      |
| <b>22533</b>   | lumbar   |                    | 70             | \$3.00 | manually priced |                      |
| <b>22534</b>   | thoracic or lumbar, each additional vertebral segment (list separately in addition to code for primary procedure)  |                    | 70             | \$3.00 | manually priced |                      |
| <b>31632</b>   | Bronchoscopy, rigid or flexible, with or without fluoroscopic guidance; with transbronchial lung biopsy(s), each additional lobe (List separately in addition to code for primary procedure) |                    | 70             | \$0.00 | manually priced |                      |
| <b>31633</b>   | With transbronchial needle aspiration biopsy(s), each additional lobe (List separately in addition to code for primary procedure)  |                    | 70             | \$0.00 | manually priced |                      |
| <b>34805</b>   | Endovascular repair of infrarenal abdominal aortic aneurysm or dissection; using aorto-uniliac or aorto-unifemoral prosthesis  |                    | 70             | \$3.00 | manually priced |                      |
| <b>35510</b>   | Bypass graft, with vein; carotid-brachial  |                    | 70             | \$3.00 | manually priced |                      |
| <b>35512</b>   | subclavian-brachial  |                    | 70             | \$3.00 | manually priced |                      |
| <b>35522</b>   | axillary-brachial  |                    | 70             | \$3.00 | manually priced |                      |
| <b>35525</b>   | brachial-brachial  |                    | 70             | \$3.00 | manually priced |                      |
| <b>35697</b>   | Reimplantation, visceral artery to infrarenal aortic prosthesis, each artery (list separately in addition to code for primary procedure)   |                    | 70             | \$3.00 | manually priced |                      |
| <b>36555</b>   | Insertion of non-tunneled centrally inserted central venous catheter; under 5 years of age   |                    | 70             | \$0.00 | manually priced | Under 5 years of age |
| <b>36556</b>   | age 5 years or older   |                    | 70             | \$3.00 | manually priced | Ages 5-99            |
| <b>36557</b>   | Insertion of tunneled centrally inserted central venous catheter, without subcutaneous port or pump; under 5 years of age  |                    | 70             | \$0.00 | manually priced | Under 5 years of age |
| <b>36558</b>   | age 5 years or older   |                    | 70             | \$3.00 | manually priced | Ages 5-99            |

| 70   | Ambulatory Surgery Centers |

| Procedure code | Description  | Allowable modifier | Provider type | Copay  | Max fee         | Restrictions         |
|----------------|--|--------------------|---------------|--------|-----------------|----------------------|
| <b>36560</b>   | Insertion of tunneled centrally inserted central venous access device, with subcutaneous port; under 5 years of age  |                    | 70            | \$0.00 | manually priced | Under 5 years of age |
| <b>36561</b>   | age 5 years or older   |                    | 70            | \$3.00 | manually priced | Ages 5-99            |
| <b>36563</b>   | Insertion of tunneled centrally inserted central venous access device with subcutaneous pump   |                    | 70            | \$3.00 | manually priced |                      |
| <b>36565</b>   | Insertion of tunneled centrally inserted central venous access device, requiring two catheters via two separate venous access sites; without subcutaneous port or pump (eg, tesio type catheter) |                    | 70            | \$3.00 | manually priced |                      |
| <b>36566</b>   | with subcutaneous port(s)  |                    | 70            | \$3.00 | manually priced |                      |
| <b>36568</b>   | Insertion of peripherally inserted central venous catheter (PICC), without subcutaneous port or pump; under 5 years of age   |                    | 70            | \$0.00 | manually priced | Under 5 years of age |
| <b>36569</b>   | age 5 years or older   |                    | 70            | \$3.00 | manually priced | Ages 5-99            |
| <b>36570</b>   | Insertion of peripherally inserted central venous access device, with subcutaneous port; under 5 years of age  |                    | 70            | \$0.00 | manually priced | Under 5 years of age |
| <b>36571</b>   | age 5 years or older   |                    | 70            | \$3.00 | manually priced | Ages 5-99            |
| <b>36575</b>   | Repair of tunneled or non-tunneled central venous access catheter, without subcutaneous port or pump, central or peripheral insertion site   |                    | 70            | \$3.00 | manually priced |                      |
| <b>36576</b>   | Repair of central venous access device, with subcutaneous port or pump, central or peripheral insertion site   |                    | 70            | \$3.00 | manually priced |                      |
| <b>36578</b>   | Replacement, catheter only, of central venous access device, with subcutaneous port or pump, central or peripheral insertion site  |                    | 70            | \$3.00 | manually priced |                      |
| <b>36580</b>   | Replacement, complete, of a non-tunneled centrally inserted central venous catheter, without subcutaneous port or pump, through same venous access   |                    | 70            | \$3.00 | manually priced |                      |
| <b>36581</b>   | Replacement, complete, of a tunneled centrally inserted central venous catheter, without subcutaneous port or pump, through same venous access   |                    | 70            | \$3.00 | manually priced |                      |
| <b>36582</b>   | Replacement, complete, of a tunneled centrally inserted central venous access device, with subcutaneous port, through same venous access   |                    | 70            | \$3.00 | manually priced |                      |
| <b>36583</b>   | Replacement, complete, of a tunneled centrally inserted central venous access device, with subcutaneous pump, through same venous access   |                    | 70            | \$3.00 | manually priced |                      |
| <b>36584</b>   | Replacement, complete, of a peripherally inserted central venous catheter (PICC), without subcutaneous port or pump, through same venous access  |                    | 70            | \$3.00 | manually priced |                      |
| <b>36585</b>   | Replacement, complete, of a peripherally inserted central venous access device, with subcutaneous port, through same venous access   |                    | 70            | \$3.00 | manually priced |                      |
| <b>36589</b>   | Removal of tunneled central venous catheter, without subcutaneous port or pump   |                    | 70            | \$3.00 | manually priced |                      |
| <b>36590</b>   | Removal of tunneled central venous access device, with subcutaneous port or pump, central or peripheral insertion  |                    | 70            | \$3.00 | manually priced |                      |
| <b>36595</b>   | Mechanical removal of pericatheter obstructive material (eg, fibrin sheath) from central venous device via separate venous access  |                    | 70            | \$3.00 | manually priced |                      |

| Procedure code | Description   | Allowable modifier | Provider type | Copay  | Max fee         | Restrictions |
|----------------|---|--------------------|---------------|--------|-----------------|--------------|
| <b>36596</b>   | Mechanical removal of intraluminal (intracatheter) obstructive material from central venous device through device lumen   |                    | 70            | \$0.00 | manually priced |              |
| <b>36597</b>   | Repositioning of previously placed central venous catheter under fluoroscopic guidance  |                    | 70            | \$3.00 | manually priced |              |
| <b>36838</b>   | Distal revascularization and interval ligation (DRIL), upper extremity hemodialysis access (steal syndrome)   |                    | 70            | \$3.00 | manually priced |              |
| <b>37765</b>   | Stab phlebectomy of varicose veins, one extremity; 10-20 stab incisions   |                    | 70            | \$3.00 | manually priced |              |
| <b>37766</b>   | more than 20 incisions  |                    | 70            | \$3.00 | manually priced |              |
| <b>43237</b>   | Upper gastrointestinal endoscopy including esophagus, stomach, and either the duodenum and/or jejunum as appropriate; with endoscopic ultrasound examination limited to the esophagus |                    | 70            | \$3.00 | manually priced |              |
| <b>43238</b>   | with transendoscopic ultrasound-guided intramural or transmural fine needle aspiration/biopsy(s), esophagus (includes endoscopic ultrasound examination limited to the esophagus)     |                    | 70            | \$3.00 | manually priced |              |
| <b>47140</b>   | Donor hepatectomy, with preparation and maintenance of allograft, from living donor; left lateral segment only (segments II and III)  |                    | 70            | \$3.00 | manually priced |              |
| <b>47141</b>   | total left lobectomy (segments II, III, and IV)   |                    | 70            | \$3.00 | manually priced |              |
| <b>47142</b>   | total right lobectomy (segments V, VI, VII and VIII)  |                    | 70            | \$3.00 | manually priced |              |
| <b>53500</b>   | Urethrolisis, transvaginal, secondary, open, including cystourethroscopy (eg, postsurgical obstruction, scarring)   |                    | 70            | \$3.00 | manually priced | Females only |
| <b>57425</b>   | Laparoscopy, surgical, colpopexy (suspension of vaginal apex)   |                    | 70            | \$3.00 | manually priced | Females only |
| <b>59070</b>   | Transabdominal amnioinfusion, including ultrasound guidance   |                    | 70            | \$3.00 | manually priced | Females only |
| <b>59072</b>   | Fetal umbilical cord occlusion, including ultrasound guidance   |                    | 70            | \$3.00 | manually priced | Females only |
| <b>59074</b>   | Fetal fluid drainage (eg, vesicocentesis, thoracocentesis, paracentesis), including ultrasound guidance   |                    | 70            | \$3.00 | manually priced | Females only |
| <b>59076</b>   | Fetal shunt placement, including ultrasound guidance  |                    | 70            | \$3.00 | manually priced | Females only |
| <b>59897</b>   | Unlisted fetal invasive procedure, including ultrasound guidance  |                    | 70            | \$3.00 | manually priced | Females only |
| <b>61537</b>   | Craniotomy with elevation of bone flap; for lobectomy, temporal lobe, without electrocorticography during surgery   |                    | 70            | \$3.00 | manually priced |              |
| <b>61540</b>   | for lobectomy, other than temporal lobe, partial or total, without electrocorticography during surgery  |                    | 70            | \$3.00 | manually priced |              |
| <b>61566</b>   | Craniotomy with elevation of bone flap; for selective amygdalohippocampectomy   |                    | 70            | \$3.00 | manually priced |              |
| <b>61567</b>   | for multiple subpial transections, with electrocorticography during surgery   |                    | 70            | \$3.00 | manually priced |              |

| Procedure code | Description  | Allowable modifier | Provider type | Copay  | Max fee         | Restrictions |
|----------------|--|--------------------|---------------|--------|-----------------|--------------|
| <b>61863</b>   | Twist drill, burr hole, craniotomy, or craniectomy with stereotactic implantation of neurostimulator electrode array in subcortical site (eg, thalamus, globus pallidus, subthalamic nucleus, periventricular, periaqueductal gray), without use of intraoperative microelectrode recording; first array |                    | 70            | \$3.00 | manually priced |              |
| <b>61864</b>   | each additional array (list separately in addition to primary procedure)   |                    | 70            | \$3.00 | manually priced |              |
| <b>61867</b>   | Twist drill, burr hole, craniotomy, or craniectomy with stereotactic implantation of neurostimulator electrode array in subcortical site (eg, thalamus, globus pallidus, subthalamic nucleus, periventricular, periaqueductal gray), with use of intraoperative microelectrode recording; first array    |                    | 70            | \$3.00 | manually priced |              |
| <b>61868</b>   | each additional array (List separately in addition to primary procedure)   |                    | 70            | \$0.00 | manually priced |              |
| <b>63101</b>   | Vertebral corpectomy (vertebral body resection), partial or complete, lateral extracavitary approach with decompression of spinal cord and/or nerve root(s) (eg, for tumor or retropulsed bone fragments); thoracic, single segment  |                    | 70            | \$3.00 | manually priced |              |
| <b>63102</b>   | lumbar, single segment   |                    | 70            | \$3.00 | manually priced |              |
| <b>63103</b>   | thoracic or lumbar, each additional segment (list separately in addition to code for primary procedure)  |                    | 70            | \$3.00 | manually priced |              |
| <b>64449</b>   | Injection, anesthetic agent; lumbar plexus, posterior approach, continuous infusion by catheter (including catheter placement) including daily management for anesthetic agent administration  |                    | 70            | \$3.00 | manually priced |              |
| <b>64517</b>   | Injection, anesthetic agent; superior hypogastric plexus   |                    | 70            | \$3.00 | manually priced |              |
| <b>64681</b>   | Destruction by neurolytic agent, with or without radiologic monitoring; superior hypogastric plexus  |                    | 70            | \$3.00 | manually priced |              |
| <b>65780</b>   | Ocular surface reconstruction; amniotic membrane transplantation   |                    | 70            | \$3.00 | manually priced |              |
| <b>65781</b>   | limbal stem cell allograft (eg, cadaveric or living donor)   |                    | 70            | \$3.00 | manually priced |              |
| <b>65782</b>   | limbal conjunctival autograft (includes obtaining graft)   |                    | 70            | \$3.00 | manually priced |              |
| <b>67912</b>   | Correction of lagophthalmos, with implantation of upper eyelid lid load (eg, gold weight)  |                    | 70            | \$3.00 | manually priced |              |
| <b>68371</b>   | Harvesting conjunctival allograft, living donor  |                    | 70            | \$3.00 | manually priced |              |
| <b>95991</b>   | Refilling and maintenance of implantable pump or reservoir for drug delivery, spinal (intrathecal, epidural) or brain (intraventricular); administered by physician  |                    | 70            | \$3.00 | manually priced |              |
